Christmas in July - what fun!! **RSVP for your spot here: <https://bit.ly/3hwNAzd>.** **Please Note:** Each RSVP is considered one "group" or family. ## Village Trustees Host "Thank You" Lunch For Cleanup Crews!

The Village of Burr Ridge Board of Trustees hosted a "Thank You" lunch for Public Works, Team Rubicon, the Police Department, and the Administration Department for all their efforts in the clean up process in the aftermath of the June 20th storms that swept through the Burr Ridge area. Since the storms hit on June 20, the Public Works Department has been picking up trees, branches, and other storm debris non-stop. Team Rubicon is a veteran-led disaster response organization, and its volunteers were out in our community last week. Wearing gray shirts with red lettering that clearly identifies them as members of Team Rubicon, this organization was brought in by the Village through the DuPage County Office of Homeland Security and Emergency Management (OHSEM). They are also sponsored by CNH Industrial, which is based in Burr Ridge. A big thank you to all those who helped put Burr Ridge back together again! If you still have other storm emergencies, please call the Village Hall at 630-654-8181, M-F. We're here to help you!!
